RFQ 16-002-43

“DESIGN SERVICES FOR INTERSECTION IMPROVEMENTS AT HACKS CROSS ROAD AND STATELINE ROAD SHELBY COUNTY ENGINEERING DEPARTMENT”

TO ALL PROSPECTIVE BIDDERS:

The following questions were submitted by potential vendors. Our answers are listed in **red** below:

Questions:

- 1) “How much work, if any, will be done south of the Tennessee state line (on curb returns, approach slopes, pavement markings, etc.)?”

The proposed construction work will be on the Tennessee side of the state line.

- 2) What are the maximum anticipated project limits (i.e. distances from the intersection) for modification in each direction?

Addendum # 1 has been issued that provides information regarding a traffic study and proposed project alternatives. Estimated project lengths are included.
